Exciting Opportunity for Parents!

An exciting opportunity has come up for someone to join our swimming club committee in the role of Competition Secretary. If you are interested in this role, please see Lynne Dawson or John Wincott for further information.

Parents Meetings

In addition to the monthly Committee Meetings and Poolside Helpers Meetings which parents are very welcome to attend, we are also holding quarterly Parents Meetings, specifically aimed at updating parents/carers on club matters. As an introduction to these meetings and to gain more info on what goes on behind the scenes, what the committee does and how you can get involved if you wish, there will be an information meeting for all parents on Thursday 11th December in the meeting room at Chapeltown Baths.

All parents/carers are invited and we strongly encourage you to attend. These meetings will not only be a great way of staying in touch with club developments, but will also be your opportunity to voice your thoughts, ideas, opinions and concerns.

The dates of the 2015 quarterly meetings will be published in the new year.

Celebrating Success

A massive well done to all our swimmers for an outstanding year full of hard work and fantastic personal achievements both in and out of the pool.

Not all of our swimmers who enter competitions walk away with a medal or trophy, however, they still go out there time after time, after putting in hours of hard work in training,

and give their absolute best, waving the Chapeltown flag (or swim cap) with pride. This is what a club is made of and we are immensely proud of each and every one of you and hope that all our swimmers will continue to swim for your club with such fantastic enthusiasm and team spirit throughout 2015, enabling us to share your triumphs and achievements.
